- I hereby give permission for my child to attend the Fells Marathon taking place between 12/4 and 14/4/2024
- I understand that the Leader in charge reserves the right to send any participants home if necessary.
- I will inform a Leader if any of the information given on this form changes before the event takes place.
- If it becomes necessary for my child to receive medical treatment **and I cannot be contacted by telephone or any other means to authorise this**, I hereby give my general consent to any necessary medical treatment and authorise the Leader or Assistant Leader in Charge of my group (or if necessary, one of the event management team), to sign any document required by the hospital authorities.
- This form needs to be completed and submitted to the Fells Marathon Booking Team no later than 5/4/2024

Note: The medical profession takes the view that the parent's consent to medical treatment cannot be delegated. This view is explicit in the Children Act 1989. Thus medical consent forms have no legal status and a doctor/nurse insisting on the consent of a parent to a particular treatment has the right to do so. For this reason we do not recommend that Leaders insist on parents signing the medical treatment statement above. However, it can be a comfort to medical staff to have general consent in advance from parents or to have a Leader on hand able to sign forms required by medical authorities.
